VERY PRIVATE TUTOR

Dear *Mayfair*,
From the moment I set eyes on her, I couldn't stop fantasizing about screwing my personal tutor. She's in her forties, but I'd always had this thing about doing an older woman, and she was the sexiest woman I'd ever seen in my life. She's quite tall with raven hair, big voluptuous boobs and long legs that seem to go on forever. After I'd met her a couple of times I managed to find out she wasn't married, and I thought, well, I might be twenty-odd years younger than her but I'd rather sink my cock into that than any of these vapid young girls on campus. She's got more sex in her left nipple than all these other little slappers put together.

I WATCHED IN AWED SILENCE AS SHE SLOWLY LOWERED HER BIG, BUSHY CUNNY DOWN ONTO MY COCK.

I went to her office one lunchtime with the sole intention of asking her out on a date, knowing it was unprofessional for her to accept but thinking I might as well throw caution to the wind. She was sitting behind her desk and looked up at me over her spectacles, nearly making me spill my load on the spot. When I popped the question she took it in her stride and seemed to like the idea, but she wanted to subject me to a little test. "I don't like disappointment," she said, "so I want to know what I'm getting right now before I agree."

"What do you mean?"

"I mean I want you to make love to me here and now so that I can see what you're like – then if you cut the mustard I'll go on a date with you and then you can fuck me to your heart's content."

"What, you mean right now, in here?" I stammered with genuine amazement. "Yes, now," she said, getting up and shutting the door behind me, which she then locked.

The next thing I knew her tongue was pushing past my lips and into my mouth, and her hand was hard on my crotch, squeezing my testicles rhythmically.

I cried out, but she silenced me by clamping her mouth on mine, then she took her jacket off and opened her blouse to reveal her enormous breasts slung in a sexy bra, her nipples poking hard into the material. My tutor unfastened her skirt and let it drop to the floor, revealing those lovely long legs in black stockings and suspenders, and some sexy silk knickers. I slid my hand inside her panties and she moaned quietly as I frigged her big wet cunt, savouring the fleshy folds of a proper woman's vulva. Pulling her knickers down nice and slowly, I got down on my knees to eat her out. I dragged a chair over so that she could lift one leg, then, after admiring her soft black bush, I pushed my head between her thighs and licked the length of her quim, from the dark and musky environs of her

HOLLY GOOD SHOW!

Dear *Mayfair*,
What a pleasure it was to see the gorgeous Holly Gibbons back in Mayfair for volume 53 issue 13. She always looks fabulous, and certainly didn't disappoint on this occasion, either! Of your other recent models, I have to say I'm a big fan of Cara Brett, Lauren Louise and Adele Taylor, so please let's see them back in the magazine before too long. New girl Lauren is getting better all the time – she's clearly got a bit more confidence now and is showing off a bit more of her neat pussy, which can only be a good thing.

I love the way you find so many gorgeous models – I've been buying *Mayfair* for many a year now, right from back in the day when it cost 5 shilling. I've missed a few issues this year after a stay in hospital, so you can imagine how glad I was to get home and get my hands on issue 13!

All the best,
John, Hull.

Thanks John - and sorry to hear you've been under the weather. Good to hear your back home safe and sound with a Mayfair for comfort! - Ed.

A YEAR TO REMEMBER

Dear *Mayfair*,
Just an email to say thank you for all the hours of enjoyment you've provided over the last year – I won't go into every single girl, but there have been some real treats throughout volume 53 that will stay with me (in my stash, for starters) for a very long time! All the way back in January we were introduced to the lovely Nicole Snow, who I'd dearly love to see more of (if you know what I mean!) and the gorgeous Sibyl, who put in another couple of appearances before the year was out, while other new faces of note included Brook Logan, Tina Kay, Saskia Jade and Cassie Clarke, all of whom I hope we'll become further acquainted with in 2019! And that's not to mention favourites of longer standing like Emma Green, Natalia Forrest, Cara Brett and Dani Maye. What an embarrassment of riches. Keep it up!
Mark, Peterborough.

arsehole to the hard and erect nub of her clitoris. Her whole body tensed as I gently nibbled her clitty, and I fondled her peachy arse with both hands till my face was soaked with her love juice. "Fuck me," she gasped, running her fingers through my hair. "Please, fuck me."

I stood up and freed my cock. I was rock hard by then and I was anxious to get it inside her. She started to push me downwards, and I surmised she wanted to ride me. As soon as I was on the floor she straddled me, and I watched in awed silence as she slowly lowered her big, bushy cunny down onto my cock, and gradually fed me into her. I'd never seen anything so horny in my life as Dr Richards's big pink pussylips parting to take my cock, and I was horribly close to orgasm when I felt her bum come to rest on my thighs. Once I was inside her, she took her bra off and got her tits out, and I reached up to give them a squeeze. They were so big and firm, and I pinched and pulled at her nipples till she drew a sharp intake of breath. Her fucking was so fast I had to let go of her tits and just watch. She shagged me hard, riding up and down on my cock like a steam train, and I was quite hypnotised by the rapid and regular swinging and bouncing of her huge tits, simple harmonic motion amply demonstrated! Just as we were both about to come, she pulled me out of her and turned around so that she was facing away from me.

She quickly took hold of my cock and fed it back into her sodden cunt, her thick pubes matted with pussy juice and pre-come. The view I got of her bush, snatch and arsehole was phenomenal and as she started to ride me vigorously again I knew I was about to shoot my load. The professor looked over her shoulder as she felt my cock begin to twitch inside her, and I came, squirting jet after jet of my hot jism deep inside her. She continued to ride me even when I was spent, and I reached forward to finger-fuck her dark little arsehole, causing her to climax almost instantly, her pussy contracting hard on my cock.

Satisfied, she lifted off me, and I was treated to the horniest sight of all – that of my white spunk glooping out from her juiced-up slit. I think I passed the test, as you'll be pleased to know I managed to secure a date with her. I haven't thought where I'm going to take her yet, I'm more looking forward to the filthy fun!

FUCKY HEATHER

Dear *Mayfair*,
When my fiancée, Zoe, and I finally got married, I was gobsmacked to see she'd invited her friend and old flatmate to the service. I hadn't seen her in years and hadn't realised Heather was on the guestlist. Yeah, maybe I did zone out a bit during the wedding planning, but what groom does? So I was regretting my lack of interest when I clocked Heather sitting in the church. Not that I would've stopped her coming along, but it wouldn't have been such a shock. I should explain. Long before Zoe and I started dating, I had a bit of a fling with her flatmate Heather. We never got together properly – we just loved to fuck. We would meet up at all times of the day and night to screw each other's brains out. At the time Heather was actually engaged to someone else, so we made a pact to keep our dirty secret to ourselves. We eventually decided to call it a day when she got married and moved away. I knew she'd kept her side of the bargain because her friend Zoe never brought up the subject when I started going out with her. At first I felt like a right stud, fucking one flatmate then moving onto the other. But when things got serious with Zoe and me, I started to forget about the past – although I've got to admit I've had one or two wanks over the years, remembering what a good shag Heather was.

So I was understandably taken aback when I saw the woman herself - along with her husband at my wedding. But I had so many other things to think about that there wasn't time to do anything about it until the reception when we bumped into each other. Heather looked absolutely gorgeous, she'd hardly changed since the last time I saw her and was equally as friendly. Seeing her was such a blast from the past and when we talked I couldn't help visualising her great tits beneath her clothing. She was wearing a short, tight dress, which clung to her curves and showed off her long legs. As we joked, she leaned closer and I wasn't sure if I was just imagining she was rubbing herself against me. Zoe soon wandered over and hugged her old friend, and I cringed with guilt as she said how pleased she was Heather could make it. I became even more uncomfortable when my wife suggested Heather and her husband join us at the family table during the meal. I couldn't take my eyes off her as she sat opposite me, chatting to her husband and our other guests.

Despite the fact that it was my wedding to someone else, I craved Heather's attention and almost felt jealous when I saw

Happiness

Well in order to wish all our readers felicitations for the new year, who could be a better choice of girl to kick off our first issue of 2019 than the lovely Felicity Hill? Quite aside from her name, her gorgeous bod will be guaranteed to ensure the year gets of to a flying start! But what does Flick herself hope is in store this year…?

"Oh, I haven't really thought about it. I had such a great time last year I hope there'll be more of the same, I guess. I'm on the lookout for a fella, so perhaps that would make the year perfect!"

Perfect for you and for some lucky bloke too, of course!

Happiness

how happily married she appeared to be. But I found out she was the same old Heather when she slyly blew me a kiss, when nobody was watching. Later, as the speeches got underway, I felt her stocking clad foot stroking my lower leg. My cheeks flushed with excitement and as I tried desperately to disguise my arousal, Heather's toes crept further up the inside of my thigh. I glanced at her over the table and she smiled before gently stroking my growing cock with one toe. I responded by slipping my shoe off and easing my foot up her skirt. She closed her eyes as I rubbed my toe against her fanny. At one point I even saw Zoe smile at her friend as she teased my prick and I wriggled my toe against her clit.

I know it sounds terrible, but I really got off on the whole situation. When the formalities were finally out of the way, I nipped to the loos – keen to cool down after the frantic footsie playing. But I wasn't alone for long because Heather, clearly keen to finish what she'd started, followed me into the empty toilets and pushed me into a cubicle. Locking the door behind me, she forced me against the wall and kissed me passionately. "God it's been so long, Jamie. I've dreamt about taking your cock again for such a long time, let me give you one last screw as a wedding present," she whispered in my ear after hungrily licking my neck. In my wildest dreams I wouldn't have believed such a thing could happen – a married woman coming onto me at my own wedding! But I wasn't about to say no, especially when the woman in question was so fucking beautiful.

I hitched up her dress and she desperately tore down her knickers, opening her legs so I had access to her damp pussy. Continuing to explore her mouth with my tongue, I eased a finger between the warm, wet lips of her slit. Heather moaned quietly and I began rubbing her swollen clit. I worked my fingertip gently round and round her button before thrusting a couple of fingers deep inside her fanny. She started panting in ecstasy and I knew she was about to come when she began grinding down hard on my hand. She grabbed my arm to push my fingers deeper inside her as she helped to quickly bring herself off. Her snatch was wonderfully sticky and I was desperate to take her up on the offer of a fuck. I knew the toilets would be quiet for a while longer because the meal was still being served so a quickie was what I wanted.

> I EASED A FINGER BETWEEN THE WARM, WET LIPS OF HER SLIT. SHE MOANED AS I BEGAN RUBBING HER CLIT.

Heather bent over the toilet, with her arse in the air – giving me access to both her holes. Her fanny looked inviting as it oozed with its creamy juices, but when I caught sight of her tight puckered arsehole I had another idea.

"Let me screw your bum, Heather, like I used to. Zoe won't let me anywhere near her arse and I'd love to spunk in yours," I begged. I wasn't sure if I was pushing my luck but Heather responded by pulling open her cheeks so I could see my way into her dark hole. I quickly spread some of her fanny juices into her little pink rose, feeling it loosen as I eased a finger inside. After a few seconds of relaxing her muscles, I nudged my throbbing hard-on against her entrance. I slowly pushed against her back entrance until suddenly it gave way, allowing my cock to ease into her anus – her sphincter keeping a wonderfully tight grip of my shaft. I fed my entire length into her bum until I felt my balls slap against Heather's skin. The feeling of screwing her arse was so fucking good, I knew it would be just a matter of a few minutes before I shot my load. I grabbed hold of Heather's swinging tits and used them to pull her closer to me as I began pounding away at her butt. Heather always loved it up the arse and she bucked back hard, letting me bang her as hard as I could. I watched Heather's round buttocks moving back and forth as I split them with my cock. Suddenly I heard someone enter the toilets and go into another cubicle. This somehow made the situation even hornier and I felt my balls twitching with the spunk they were about to fire.

I covered her mouth with my hand, to make sure she didn't moan when I filled her arse with my jizz, and gave her one final thrust as my cock released its load. It seemed like I shot more come than ever before and my body jerked uncontrollably as the final streams squirted into Heather's warm bum. She stood quietly, still skewered by my prick, until the other bloke left the toilets, then collapsed on the floor in satisfaction. It wasn't until later in the evening that Heather told me it was her husband who'd used the toilet while we shagged. She'd noticed his shoes under the cubicle wall as she bent over for me. If only he'd known his wife was getting her arse screwed off in the next stall. The thought of it made my cock immediately stand to attention and I've had more than a few wanks over it since!

MIA PERFECTION!

Dear *Mayfair*,
What a cracking issue to see out 2018, although I don't know why you waited so late in the year before introducing us to Mia Mariee, who has got to be the highlight of the issue! What a sensational package she is, with her gorgeous face, lovely boobs and what I can only describe as the most mouth-watering *pussy* I have ever clapped eyes on – and as a reader of Mayfair, I've clapped eyes on plenty! To think that a young woman of 26 can look so poised in a lingerie set like that, oozing sophistication as well as allure – what a perfect way to round off the year. Please let's see plenty more of her future issues.
Stu, Enfield.

It's always a treat to hook up with one of the biggest names in the business, so given that it's been a good few months since we last got to cast our eyes over the spectacularly stunning Kayden Kross, we thought we wouldn't let the grass grow under our feet in 2019! She might have edged into her 30s now, but she's still in tip-top condition!

"Thanks. Yeah, I do my best to keep in shape! I can't believe it's been 15 years since I first started doing a bit of stripping, but I'm still having a blast and I hope I've got a few years left in me before I knock it on the head!"

Well so do we, Kayden. From what we can see, we reckon you're absolutely in your prime!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiney new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

HUAWEI **WATCH 2**

Thanks to the recent arrest in Canada of Huawei executive Meng Wanzhou (whose position as the company's chief financial officer is, I've no doubt, completely unrelated to the fact her father founded the thing) I now know how to pronounce Huawei – you have to imagine you've just put an incredibly hot piece of potato in your mouth and are desperately trying to blow away the heat. So naturally I'll be talking about Huawei stuff quite a lot from now on, starting with this, their second watch. Now obviously it tells the time – that's been a given for this sort of thing for ages now – but it's also crammed full of so many other functions you'll be astonished that your wrist will be able to bear it, no matter how well developed your wrist might be after all these years of... well, enough of that. It's got a barometer, so there's no need to lug that Victorian one from the hallway around with you all the time now, and GPS, meaning it and you (but not, possibly, the Chinese Communist Party) will know exactly where you are at any given second to the nearest foot or so. It's got Bluetooth, so you can stream info to or from it without using a pesky wire, a motion sensor (not for checking bowel movements) and a heart-rate monitor. All of which, of course make it ideal if you're going for a run, say, and want to know whether your heart's beating at an acceptable rate while you're dragging your frame up a hill. I tried mine three times, and I'm afraid 'Acceptable' was very far from the description of my heart rate on each occasion. But, if you do happen to be an unfit type like me, the Huawei Watch 2 can be made to actually bark orders at you, telling you to pull you finger out as you're shuffling around the block/lying in the kerbside gasping.

Moreover, if you can't be bothered to take your phone out with you, you can pop the sim card from your mobile into the watch, at which point it'll double up as a mobile. That's mobile in the 'ring people' sense, which is better than nothing when you're jogging about – you're not going to stop for a quick game of Temple Run, after all.

So, a wristy phone that'll also keep you up to speed if you're trying to keep fit. Surely that's worth £320 of your dosh.

PRICE: £320

RING VIDEO **DOORBELL 2**

Once upon a time our Neanderthal forebears had to make do with door knockers. It seems hardly believable now, but that was the sort of analogue technology generations of so-called humans had to endure – endure, that is, until, on that glorious afternoon in 1681, Sir Percy Bell, fed up at never being able to hear his door knocker on account of his ridiculously fulsome wig, invented the door "Bell", a legacy which immortalises his name to this day. But now even that technology can be thrown in the dustbin of history, because in the shiny 21st Century of now we have this – the Ring Video Doorbell 2! It rings, of course, like what a proper doorbell should, but it also has a camera, meaning it'll video people who ring your doorbell. Not only does this mean that, via the free app on your phone, you'll be able to see who's at the door – and speak to them! – without getting your arse of the sofa (you'll still have to get up if you want to actually let them in, mind), but you'll also be able to see who's ringing your doorbell when you're out! Opening the door for them in that case won't be quite so simple. Recorded in glorious HD 1080p, the image of someone from Amazon/a bailiff standing on your doorstep will be crystal clear, and if you fork out for the additional Video Recording Plan you'll be able to record and save a full 60 days' worth of people ringing your doorbell. Ideal viewing for when there's nothing on Netflix you fancy. Only the worst kind of luddite could resist, right?

She's built up quite a following webcamming and the like, but there's nothing quite like appearing in the nation's foremost gentlemen's magazine, is there?

"I guess not! I've always loved flicking through *Mayfair* whenever I get the chance, so to actually appear in it seems a bit well, surreal!"

Well it's surreal treat to have you here, that's for sure!

A group of students studying to become doctors were receiving their very first anatomy class with a real dead human body. They all gathered around the surgery table with the body covered with a white sheet.

"It's my new wonderbra!"

The professor started the class by telling them, "In medicine, it is necessary to have two important qualities as a doctor: The first is that you must not be disgusted by anything involving the human body."

As an example, the professor pulled back the sheet, stuck his finger up the arse of the corpse, withdrew it and stuck it in his mouth.

"Go ahead and do the same thing," he told his students.

The students freaked out, hesitated for several minutes, but eventually took turns sticking a finger up the arse of the dead body and then sucking on it.

When everyone finished, the professor looked at them and told them, "The second most important quality is observation. I stuck in my middle finger but sucked on my index finger. Now learn to pay attention."

A guy and a girl get talking in a night club. They get along so well that they decide to go back to the girl's place. Once there, they start to get intimate.

A few drinks later, the guy takes off his shirt and then goes to the sink and washes his hands. He then takes off his trousers and goes to the sink to wash his hands again.

The girl watching him do this says, "You must be a dentist."

The guy, surprised, says, "Yes, how did you figure that out?"

"Easy," she replied, "you keep washing your hands."

One thing led to another and they make love. After they are done, the girl says, "You must be a really good dentist."

The guy, now with a boosted ego says, "Sure, I'm a really good dentist, how did you figure that out?"

"Because I didn't feel a thing," she said.

An old lady makes a visit to doctor and asks him for some Viagra for her husband.

The doctor, a little startled at first, given her and her husband's age, figures that it's nice the couple still want to be intimate at their stage of life, and says, "It comes in three strengths; 25% - semi hard, 50% - very hard and 100% - rock solid. Which would you like?"

After a moment's thought, the old lady says, "25% will do, it's only to stop him pissing on his slippers!"

There is a factory that makes the Tickle Me Teddy Bear toy. The toy laughs when you tickle it under the arm.

A new employee, a blonde, is hired at the Tickle Me Teddy Bear factory and she reports for her very first day.

The next morning there is a knock at the Personnel Manager's door. The Foreman from the assembly line enters and begins to rant about the new employee. He complains that she is incredibly slow and the whole line is backing up, putting the entire production line behind schedule.

The Personnel Manager decides he should see this for himself so the two men march down to the factory floor.

When they get there the line is so backed up that there are Tickle Me Teddy Bears all over the factory floor and they're really beginning to pile up. At the end of the line stands the new employee surrounded by mountains of Tickle Me Teddy Bears. Next to her she has a roll of furry fabric and a huge bag of small marbles.

The two men watch in amazement as she cuts a little piece of fabric, wraps it around two marbles and then begins to very carefully sew the little package between the Teddy Bear's legs.

The Personnel Manager bursts into laughter. After several minutes of hysterics he pulls himself together and approaches the woman.

"I'm really sorry," he says to her, barely able to keep a straight face, "but I think you misunderstood the instructions I gave you yesterday. Your job is to give the Teddy Bear two test tickles."

An ugly woman walks into a shop with her two kids.

The shopkeeper asks: "Are they twins?"

The woman says: "No, he's nine and she's seven. Why? Do you think they look alike?"

"No," he replies. "I just can't believe you got laid twice."

Lacey Jay caused a bit of a hoo-ha a few month ago when certain newspapers revealed she had a few well-to-do boyfriends on the go at the same time, but she can't see what all the fuss is about...

"No, I can't! I mean I'm young, and I'm free to date whoever I want, and whose business is it that I tend to date guys who are a bit older than me, who've got a few coins to rub together and who, as often as not, tend to be married?"

Well quite – it's a free world, after all. But the more pressing question is, does all this hanging about with richer, older guys leave you with enough time to go out with a virile young *Mayfair* blurb-writer?

"Oh, I didn't realise there was another one."

Scene from MAYFAIR

We don't review any old rubbish here in Mayfair, you know! If you're going to buy a DVD now and then, we reckon it ought to be a good one - like one of these!

THEY SHALL NOT GROW OLD

There's a programme that airs now and again called *World War Two In Colour*, and it's always a bit startling to see it all colourised – but who could have imagined that 2018 would give us the opportunity to watch World War One in colour – and not only in colour, but in high definition… with sound? Following a brief cinematic appearance around Armistice Day in November and a screening on BBC2, Peter Jackson's astonishing project is now available to own on DVD or Blu-ray, so if you didn't manage to watch it last year, you've got no excuse for giving it a miss now. Jackson and his team have not only colourised each frame, they've also cleaned them up and, crucially, inserted extra frames to make the film 24 frames per second – so none of the jerkiness associated with footage this old. With veterans' testimony taken from the Imperial War Museum's archives and sound added thanks to lipreaders, this is a remarkable feat of remembrance and dedication.

KHARTOUM

Massive historical epics are few and far between these days, even though you'd think digital technology would make them easier to make, but once upon a time they had to be done analogue, and Eureka have just released, in dual-format, this sterling example of the genre. The story of Britain's ill-ventured Imperial interventions in Sudan is not so well know now as once it was, but the fate of General Gordon and his men following their clash with the Mahdi is told here with both dash and sensitivity. The cast is impressive – Charlton Heston and Laurence Olivier play Gordon and the Mahdi respectively, while Ralph Richardson pops up as Prime Minister Gladstone, and the cinematography is not far off *Lawrence Of Arabia* standards. This is a stunning hi-definition transfer – in the original Ultra Panavision 70 (Cinerama) format.

I VITELLONI

Federico Fellini's films tended to get weirder and weirder over the passing years, from the strictly neo-real *Rome, Open* City filmed in the immediate aftermath of the war to 1976's *Cassanova*, which is pretty delirious and marked the end of his journey towards ornate fantasy. The balance between the two, therefore, represents a particularly interesting period, which culminated with *La Dolce Vita* but which can be said the have started with this, his 1953 offering. It follows the lives of various individuals in a small town on the Adriatic, and contains numerous flourishes that mark it out as something extraordinary as the seemingly ordinary and directionless lives of a gang of friends play out. With a keen eye for the telling remark or scene, the film garnered plenty of international acclaim and launched several careers – and imitators.

Leggy lovely Dani Maye's always a sight for sore eyes, and who hasn't got those after another yuletide of over indulgence?

"I haven't!" she grins. "I really don't understand why people go in for such a blow-out at Christmas. Let's face it, one roast meal is all it boils down to – you don't need to stuff your face with mince pies and boxes of choccies to have a good time, do you?"

Maybe not – and thinking about it, if we'd spent Christmas with you we can definitely think of a few things to snack on that'd be better than mince pies and chocolate!

"Ooh, you cheeky sod! I take it you mean my boobs!"

Well they'd certainly do for starters!

MAYFAIR Movies

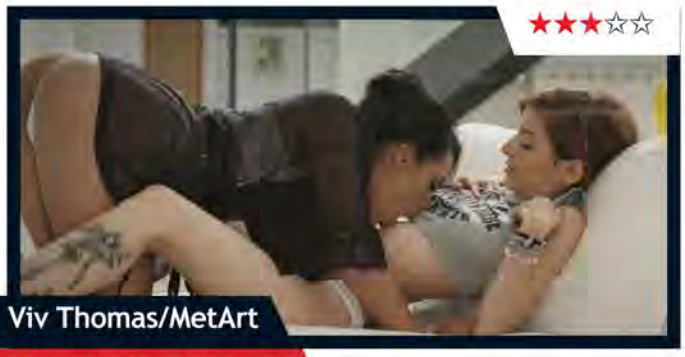
Nobody knows for sure what 2019 will have in hold, but it's a pretty safe bet there'll be plenty of scruff flicks knocking about... and here's our pick of this month's!

Wicked Pictures

DIRTY BLONDES 2

CAST: Britney Amber, Haley Reed, Kleio Valentien, Molly Mae, Zoey Monroe.

He-he – *Dirty Blondes*! That's a good one, given that, as the pubes (when extant) and the visibly roots demonstrate, the girls here clearly are on the dirty side of blonde. There's no plot-type nonsense to worry about here, either, as we cut straigh to the chase with the lovely Britney looking especially alluring writhing about at the foot of the stairs waiting for Ramon to descend. He's soon driving her round the twist as he fingers her fanny, helps her out of her lingerie, and gives her a good licking. Blimey, she's very vocal – I hope the neighbours weren't in when they filmed this scene! A throat-fucking gets her to pipe down a bit, but once he's rubbered up and made himself comfortable in her furry snizz she turns things up to 11 again, bless her. The rather smaller-boobed Holly's a bit quieter, although even hairier downstairs, which in no way puts Tommy Gunn off as he snacks away. They work their way through the same sort of moves as the first pair, only finishing with a pop to her pubes rather than a facial. Tattoo fans will enjoy Kleio's scene – she's got plenty of ink about the place, although it's the decoration of her tongue that's the highlight. Molly and Zoey keep the pace up nicely in what's a pretty romantic, couply offering.



Viv Thomas/MetArt

MY BOIFRIEND

CAST: Penelope Cum, Caomei Bela, Katrina Moreno, Daniela DaDivoso, Apolonia.

Wondering what a 'Boifriend' is? I've done a bit of research and discovered that in LBGQ circles a boi can mean, well, more or less anything, from a butch, submissive lesbian to a young trans man. There, that's the lesson for today, although I don't think there are any trans people in this flick, nor anyone who's particularly butch. Still, the star of the show, who features in all four scenes, is Caomei who aside from having a hairdo a little bit like Brett Anderson's in his pomp, looks like a pretty typical young Euro flamper to me. She teams up with Apolonia first, and is soon having her furry snizz licked out by the long-haired lovely. The tables are soon turned before the girls whip out their magic wand, which is no doubt lots of fun for them, but not really very photogenic in a tug flick. Katrina's next up, in what turns out to be a far more satisfactory scene, the girls doing plenty of licking and boob play. Randy Caomei works her way through Penelope and Daniela in similar style in this nicely shot, no frills lesbo title. **Available from your local sex shop.**

BABES ON WHEELS

CAST: Natalia Starr, Alexis Crystal, Anna Polina, Sofi Goldfinger.

I was a bit dubious about this one when I first heard the title? Could, I wondered, I be about to review my first wheelchair fetish porn movie? I mean horses for courses and all that, but that's a little niche, even for me. But no – wheelchairs don't feature at all in this flick, which is, rather, themed around a gang of motorcyclists and their carnal proclivities! Well kind of – there's a plot of sorts, that involves the lovely Alexis playing a hack who can't seem to get a decent story, and decides that the best way to get one is to infiltrate a biker gang. I know – it's not quite *All The President's Men*, but while it might lack the serious news clout of that title, it certainly trumps it when it comes to lovely-looking women screwing! Things kick off with an interracial threesome in which she's joined by Sofi on her quest and during which Alexis more than proves she's a bad girl who wouldn't be out of place in a biker gang by taking a solid anal drilling. After that her dedication to getting the story continues unabated. Meanwhile Anna provides a good distraction with an eye-pleasing DP and Natalia takes a backdoor reaming in a workshop. All good, solid scenes that don't leave you feeling short-changed, these.

PENNY

Age: 25 **Vital Stats:** 32F-26-36 5'5"
Photographer: BBM

Hello – Penny Lee's got more than a touch of the old school Hollywood glam about here, don't you think? She'd make a cracking femme fatale in a 1940s noir film, in the Lauren Bacall mode!

"I'd love to be in a film like that! Movie stars were so stylish in those days, weren't they? Much as I love modern films (anything with Ryan Gosling will do, for starters!) they don't have the glamour of the old movies. Perhaps it's time films went back to that look a bit more…"

Well if they do, they'll know where to look for their smoking hot lead!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

After I've never been a great actress, nor have I taken myself too seriously as one, but it's something I enjoy and (occasionally) love to have a go at. When my mate, who belongs to a local drama group, discovered that they needed some acting talent for a play by a new writer that they were putting on, she said I should go for it. I wasn't quite so keen when I found out that it featured a scene with female nudity and, while it was 'essential to the plot' as they say, I'm sure it was in there because the director, Stewart, knew it would get a lot of publicity, too.

I wasn't surprised that they had been having trouble casting it – every woman who was already a member had point-blank refused, and as my friend knew I wasn't shy, she volunteered me. And I was too embarrassed to turn it down after that so went along to the casting. At least my mate gave me some good advice for it – she told me to remember that I was doing them a massive favour. But I needn't have worried – apparently Stewart liked what he saw and I got the part. Rehearsals went well and I won't go into any boring details, but the first night went down a storm.

After coming off stage, everyone was buzzing, so we piled into the communal dressing room for some champagne to celebrate our opening night. Knowing everyone had already seen me in the nip, I just sat around in a robe. I hadn't eaten since lunchtime through nerves, so a few glasses made me instantly tipsy!

> I FINGERED OUT SOME JUICES AND SMEARED THEM ON HIS COCK, LETTING HIM FUCK MY CLENCHED HAND.

Stewart kept catching my eye, and as I got more pissed, I discreetly flashed my tits at him, joking around but enjoying his reaction. When I was pissed enough, I sauntered over to him and whispered in his ear that I'd lost an earring on the stage and I'd better look for it. I'd have been surprised if he hadn't followed me, and when I turned to face him we ended up snogging. I was the only one of the group who stood up to him, and he seemed to like it – so, when I pulled my robe apart, clicked my fingers and pointed down, he immediately dropped to his knees and started to lick me.

As his tongue probed my pussy and his fingers rubbed my clit, I started to come, juicing into his mouth. Although he swallowed down a load of it, he was wet and sticky all around his lips and I licked him clean as we kissed again. Then someone shouted for him, and he left, telling me to follow in a bit.

He obviously saw this as a sneaking-around thing – not surprising as he had a girlfriend. So I decided to stir things up for my own fun. One of the stagehands, Mike, was cute but down-to-earth. He did a lot of gophering and flirted with me, but messing around, like he didn't think he was in with

a chance. But I left with him after the show the following night, making sure Stewart knew about it.

In one sense, I was using Mike, but I was clear that this was just a bit of fun. He also had one of the thickest cocks I've felt in my life. We just laid there snogging for ages, with my pussy oozing untouched. I fingered out some juices and smeared them on his cock, letting him fuck in and out of my clenched hand.

I thought he'd come really quickly but he said he could 'hold back as long as it takes', and that he wanted to spunk inside me. The thought of that sent a warm twinge through my cunt and I rolled back, spreading wide for him. He sunk inside, pumping and circling his dick around as I frigged my clit.

I won't say he was the best fuck I'd ever had, but it was fun. It felt like all his strength was focused in his prick and his body was so hot where it touched mine. For all he'd said about holding back, he was struggling. He'd moan and clench all over as he tried to hold on, sweat beading on his forehead.

He braced himself against the bed and humped away. I managed to get a hand between us, and let his thrusts mash my fingers up against my clit. He was the first to come, length pulsing as his balls emptied up my snatch.

"I HEARD HIM GROAN AS MY WALLS TIGHTENED AROUND HIS SHAFT."

Then a couple more rubs and I orgasmed, with his still-stiff cock still inside me. I heard him groan as my walls tightened around his shaft.

Bet you've guessed what all the backstage gossip was about the next evening, and I felt a bit torn between Mike and Stewart. It was closing night so everyone had a drink, and I waited till I saw them both talking. Then I wandered over and told them that I wanted to take the two of them home. I thought that Mike would bottle it, but he was the one I walked out with. Stewart – still playing Secret Squirrel – met us at the cab rank. We all piled

onto my bed when we got home. Stewart wandered off into my kitchen in search of booze, while Mike and I fooled around.

Stewart came back with a bottle of plonk and a massive hard-on. He saw Mike was already stuck into sucking my pussy, and said I 'owed him oral' from a few nights back. I didn't argue. He dipped his cock inside my mouth then trickled some cava down his shaft, watching it fizz up and out over my chin and cheeks. I just closed my lips around his head and sucked the fizzy wine off his dick.

Mike knelt up between my legs, wanking his shaft, his helmet rubbing against my slit. I got up on all fours, Stewart cupping my tits as I gobbled away on his meat. Then I sighed with pleasure as Mike's prick sank inside me.

He took it slow, timing it to my steady sucks on Stewart's prick, hands kneading my cheeks. His finger found my arsehole and teased its way inside, which had me clenching around his cock. He was already starting to spurt as he pulled out, and laid his jumping cock down my crease, pressing down on it with his hand. I felt his thick helmet part the peaks of my cheeks, then his hot spunk flowed down between them.

I started taking Stewart deepthroat, thinking he'd finish off in my mouth. Instead, he raised me up, sat back and dragged me onto his cock, both of us feeling our way into position. "You dirty bitch," he said as his fingers pinched my nipples. I came hard, finally splaying over him, spent and shaking, as his jizz bubbled out inside me.

Stewart offered me a permanent place in the drama group, said I wouldn't even have to audition. Yeah, what an honour! I turned him down as I started college and wouldn't have time – plus, I certainly didn't want the situation with him and Mike getting awkward. However, I've made it very clear that if they need a nude actress or if either of them has a sexual itch they want to scratch, they know exactly where to find me!

"MIKE KNELT BETWEEN MY LEGS, WANKING HIS SHAFT, HIS HELMET RUBBING AGAINST MY LIPS."

One afternoon, while my boyfriend Andy was out, I was doing a few household chores. As I made our bed I happened to glance across the street to the house opposite. My eyes almost popped out of my head at the sight that greeted me. The young couple, who'd moved in a few weeks back, were going at it big style. The bloke had his pretty young wife knelt on the bed and he was giving her a good shafting from behind. I stood, totally engrossed as I took in this very sexy sight. Even from this distance, it was plainly obvious that the girl was loving it, as her husband pumped his piece in and out of her willing entrance. I could sense her heightened pleasure as he grabbed hold of her hair for leverage and continued to roughly pump her with his cock. I love having my hair pulled when I'm being fucked and I couldn't resist slipping a hand inside my trousers to caress my moistening slit.

Meanwhile, across the road, the chap flipped his horny missus onto her back. I could clearly see her neatly trimmed bush and pink gash as she lay there with her legs spread wide. The guy turned to face her showing me his fine, tight arse then he knelt down in front of her and began to feast on her pussy. I was determined to make the most of the spectacle and hurriedly stripped naked from the waist down. I began to rub my slit with a steady rhythm controlled by the pace of the man's head bobbing up and down his wife's pussy.

After much licking and sucking, her body tensed on the bed and I could tell she was about to come. I was determined that she didn't come alone and I hurriedly stroked my swollen clit with a couple of fingers. I could feel my orgasm build and was ready to explode at the same time as my naughty neighbour. As the husband

"I COULD CLEARLY SEE HER NEATLY TRIMMED BUSH AND PINK GASH AS SHE LAY THERE WITH HER LEGS SPREAD WIDE."

pushed his face further between her legs, I could tell from her movements she was coming and I was just about to join her when I heard, "What on earth are you doing?"

Startled, I turned to see Andy, who'd sneaked in through the back door, and was now standing in the bedroom doorway. I didn't know where to put myself. My face went bright red and my orgasm faded fast. Andy knew that Imasturbated but he'd never caught me at it and I didn't know what reaction to expect. By the look on his face he found it quite amusing and also rather arousing. He walked over to join me at the window. We both looked into the bedroom opposite and could clearly see the bloke on top of the girl, riding her hard.

"You dirty bugger," he said unable to tear his eyes away.

"I was just about to come before you spoilt it," I told him.

"Well, we'll have to do something about that won't we?"

I was slightly surprised but totally turned on as he knelt in front of me and started to lick at my soaking pussy. I was one lucky girl; I had the couple over the road entertaining me with their passionate shagging, while my horny boyfriend licked

my freshly trimmed slot. He inserted a finger inside me and I could feel my orgasm return with increased intensity. He worked his tongue and finger in perfect tandem, which soon had me gasping for air. Unable to delay the inevitable any longer and with a final triumphant scream my orgasm powered through me sending convulsions up and down my body. It seemed to last an age as pulse after pulse surged through me. I panted loudly as I caught my breath and looked down to see him lapping at the love juice that coated his lips.

With all my excitement I'd forgotten about the pair over the road and as my gaze returned I could see the wife giving her partner a blow-job. He was lying on his back while she knelt over him using her hand and mouth to pleasure him. That was all the encouragement I needed. I told Andy to enjoy the view and I knelt in front him, pulled his trousers down and wrapped my lips around his solid cock. It soon became clear that my boyfriend was very turned on and I knew he would soon be showing his appreciation.

"That woman gives a fucking good blow-job," he said.

"So do I you lucky bastard!" I replied, wanking his shaft over my face. His moans of pleasure grew louder and more frequent and I knew he was about to blow his stack.

"He's just finished over there and she's swallowed the lot!" he shouted excitedly.

Not prepared to be outdone by my neighbour, I readied myself to do the same.

Pulling on his cock while holding it firmly in my mouth, I felt it twitch and he groaned loudly as the first jet of spunk hit the back of my throat. I opened my mouth wide and continued to milk the remaining load. Like my cock-gobbling neighbour I took the whole lot and swallowed it down. I licked my lips noisily and gave my boyfriend's knob a long, final suck.

"HE WORKED HIS TONGUE AND FINGER IN PERFECT TANDEM, WHICH SOON HAD ME GASPING FOR AIR."

I stood up to join Andy at the window. We could see the couple over the street were still naked and enjoying a romantic embrace.

Suddenly the chap stood up and looked directly at us. I wanted to duck down but it was too late, he'd clearly seen us. He was not the slightest bit embarrassed as he stood in front of us bollock naked and then the bugger waved. Then his wife stood up, she looked over and waved as well. What else could we do but wave back?

We've since introduced ourselves to our neighbours and they proved to be a lovely couple, indeed next Saturday they're coming over to ours for dinner. I wonder if they'll have any more sexy surprises in store for us?

BRIDGETTE

MAYFAIR
Classic

PHOTOGRAPHS BY RALPH MEDLAND

You can always bank on Bridgette Barclay to give a guy a great time in bed. Why? Because she enjoys sex more than any other girl we know! But don't take our word for it. "There's so much a couple can do together.

Classic

Where were you in 1992? I know, it's a long time to think back, isn't it? Still, we know exactly where Bridgette Barclay was that year - appearing in *Mayfair* and telling us about how experimental she was in the sack! We do hope she got to try everything she was planning to do, with her mind/legs wide open philosophy. I'm only sorry I didn't run into her at the time...

I'm 21 now and I've been at it for three years almost nonestop, but I'm sure I really haven't even scratched at the surface of the pussy-pleasing possibilites," says Bridgette eagerly, slipping out of her french knickers and lying down on the bed. "There is nothing I won't do, because I want to experience every type of love-making. The way I look at it is this: my legs are like my mind," adds Bridgette philosophically. "I can't have a good screw unless I keep them both wide open!"

MAYFAIR

Vol.54 No.02

On Sale Feb 6th

Well it seems a bit odd to be bidding farewell to January's issue while at the same time wondering when I'm going to get round to doing my Christmas shopping, but hey kid, that's the way things work in publishing! all that's left for me to do now is cross some t's, dot some i's and then head home to get stuck into the G&Ts. But hey, you've always got to think ahead in this game, and to be honest I'm rather looking forward to getting back into the office, not least because I'll have the likes of Dannii Harwood and Lucy Alexandra to feast my eyes on!
